EDITOR'S PAGE

Finally, The 2007 yearbook has been completed! After all the hours spent, classes missed, and meetings during bubble our dedication and hard work has paid off at last. Although this is not the first all color yearbook, our creative ideas will hopefully make this the best one yet.

All of this would not have been possible without the commitment of the entire yearbook staff. Whether it was trying to connect the whole senior class in a time span of two weeks or making never-ending layouts, we still managed to meet all of our deadlines on time. Along with the staff we would like to thank Chestnut Hill Studios for supplying us with the greater part of our pictures, Christina Garnett from Jostens for answering all of our impossible questions and always coming to our rescue. Lastly, Mr. Noble, our yearbook advisor, for all of his time, enthusiasm and for encouraging us to make it "Our Yearbook." Granted we would never have been able to finish without the endless supply of cheese balls, chocolates, and pizza parties.

Along with thanking these people we would like to thank the class of 2007. Without all of you, these memories would have never been captured and this yearbook would not be possible. We know we may hear "How could you connect me with this person?" but it would have been physically impossible to please every single person. We hope that in the future you take the time to look back and reminisce on all of your memories made during your four years at Case High.

STAFF

DEDICATION

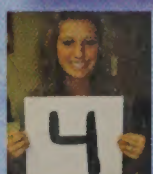

On behalf of the class of 2007, we dedicate our yearbook to Russell D. Noble. Mr. Noble has been teaching in the Swansea School System for 36 years, 11 years spent at the Junior High, and the rest of his years here at Case. Throughout this time, hundreds of students have been given the opportunity to be around a person with such enthusiasm about teaching. For the past 20 years he has been the Treasurer of the High School and for 17 of those years he had proudly coached the Varsity Tennis team. A little over a decade ago, he took on the task of becoming the Senior Class Advisor and Advisor of the school's yearbook. His career continued, as he became the Head of the Math Department.

Anyone who has ever had or even become friends with him knows how genuine and passionate of a person he is. He takes the time to prove to every student that they are capable of achieving their dreams. He treats all students with utter respect and equality, because that's how he is. If you ever need something, maybe just a quick snack, he is willing to take on for his students. In other words, he is always there if you need him. No situation is too large for him to handle.

the chance to talk to, learn from, and be inspired by. With Mr. Noble knows how genuine a person he really is. He takes the time to prove to every student that has come his way that they are capable of achieving their dreams. He treats all students with utter respect and equality, because that's how he is. If you ever need something, maybe just a quick snack, he is willing to take on for his students. In other words, he is always there if you need him. No situation is too large for him to handle.

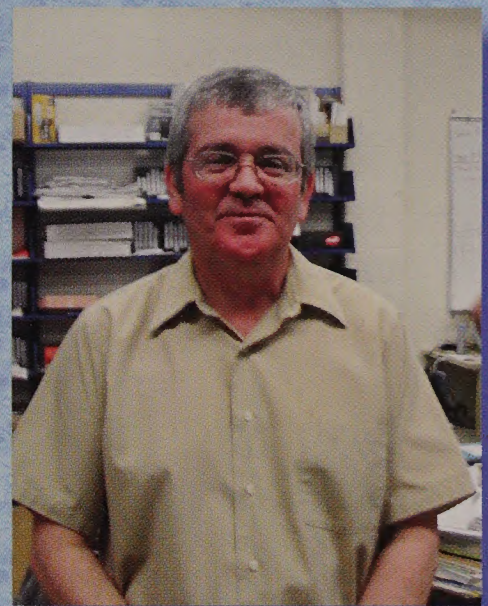

Although he is retiring this year, his presence and time spent at the High School will never be forgotten. With that said, it will be hard to reassign the positions he is leaving. Being the Head of the Math Department, Advisor of the yearbook and the Senior Class is a lot of hard work and dedication, which will always be appreciated. With his determination, it is clear to see the love he has for his work. The Class of 2007 is honored to dedicate our yearbook to Mr. Noble, and there is no doubt he will be greatly missed.

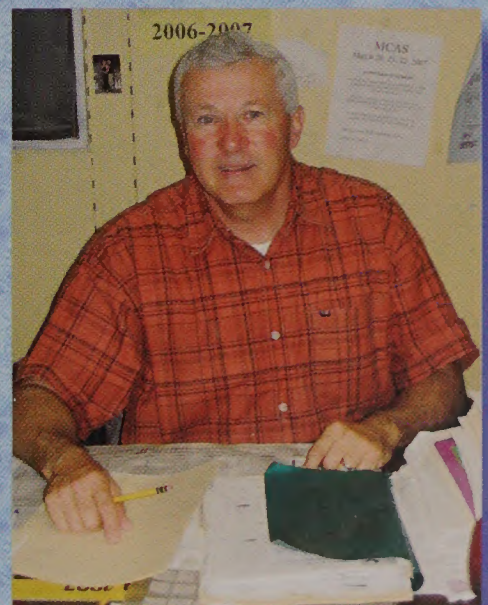

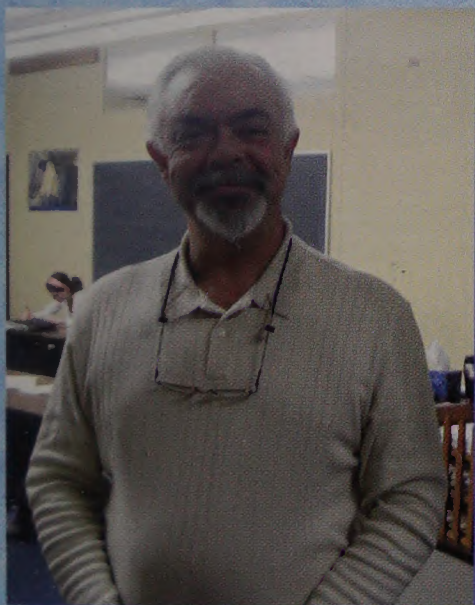

IN APPRECIATION

The Class of 2007 at Case High School would like to give special thanks to the following retiring teachers for their many years of service and dedication to our school and community: Mrs. Chapman, Mr. Medeiros, Mr. Miner, and Mr. Paquette.

These Computer Science and Mathematics teachers are hanging up their calculators after many years of influencing and teaching students at Case. Thanks for all you have done and we hope you enjoy your retirement.

To the Class of 2007:

Each year, as I write this message to the graduates, I look back at earlier yearbooks. I am always proud of the achievements of the graduates and genuinely pleased at the level of participation in all of the school activities. The Class of 2007 has shared many special moments as well as accomplishments and academics and extra-curricular activities.

Case High School is a special community of students and staff. A true indication of this

is the number of Case alumni that are, and have been, staff members. Case High graduates are administrators, teachers, support staff members and even the Police and Fire Chiefs. The Town of Swansea has welcomed these graduates back just as you will be welcomed back in the future.

I wish you well and congratulate you and your parents on this most important milestone. Please remember that you are always welcome and perhaps you may join the list of dedicated people who have made their career in Swansea.

Sincerely,
Stephan C. Flanagan
Superintendent of Schools

To the Class of 2007:

Last week I visited the Brown Elementary School Principle (and your former health teacher) Elizabeth White and was reminded that the Fall River Herald News reported recently on the 50th anniversary of the school. The article summarized Elizabeth Stevens Brown's contribution to the Swansea educational community:

"Born in 1879 as the daughter of a Kentucky slave, Brown was educated in Swansea schools, and would go on to teach 31 years in the same schools she had once been educated at. In 1932, Brown became

the first African-American principal in the town, and quite possibly the country, according to a number of historical society members. Brown, who never married, collapsed outside a PTA meeting, passing away on Feb. 12, 1941 at the age of 62."

While going through the school building, I was struck by Miss Brown's words that she would write on her classroom blackboard every day of her teaching career:

"Whatever you are, be noble; whatever you do, do it well; whenever you speak, speak kindly; bring joy wherever you dwell."

Although the world had changed dramatically since the beginning of the 20th century, the words that inspired decades of Swansea students ring especially true for the Joseph Case High School Class of 2007. May you continue the nobility, kindness and joy that is endemic of your graduating class in Swansea.

Brian McCann
Principal

To the Class of 2007:

A few weeks ago I decided to have lunch in the cafeteria and I happened to sit at a table where senior girls typically eat. It turned out to be a lunch of reflections. I must have heard "Do you remember when..." about a dozen times. Yet, one particular occasion was brought up that actually made me laugh out loud. It started as, "Remember when Mrs. Ragland moved the ketchup table?" For those of you who are not familiar with my faux pas extraordinaire, I moved the cafeteria's ketchup table to a different location to help alleviate congestion. BIG MISTAKE! Even the Lunch Ladies were annoyed!

Who'd have thought the simple change of a table would have initiated such a huge drama. I certainly didn't. So my words of wisdom to the

Class of 2007 are as follows:

*Small changes for some are big
changes for others.
Never underestimate the impact
your decisions will have.*

I wish you many years for successful decision-making. Stay safe and remember your Swansea roots.

My best,
Karen Ragland
Assistant Principal/
Administrative Dean

To the Class of 2007:

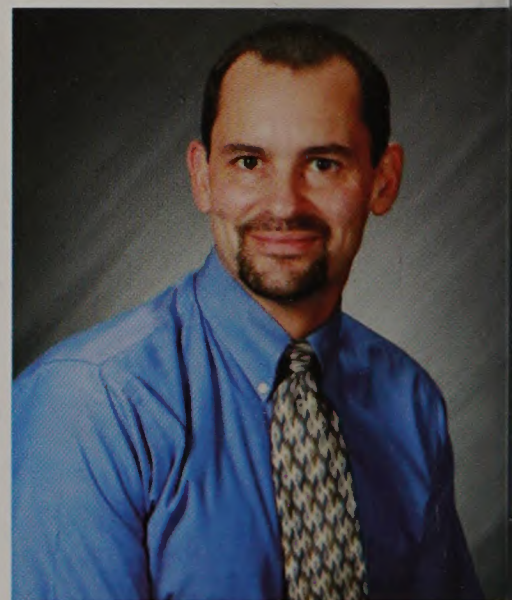

Congratulations on your graduation from Joseph Case High School. This is an accomplishment you should be very proud of, as you have earned the title of high school graduate. This is a title that no one can take away and the significance of your accomplishment should never be trivialized.

Some of you will remember from our Freshmen General Science Class a stuffed cardinal that we had as a mascot. Our mascot was named ECE, an acronym for extra care and effort. This bird hung in the classroom to remind us to take the extra steps necessary to ensure our work was the best it could be. I hope that you will carry the spirit of ECE with you through your life. Always do your best to ensure your work is of the highest quality and that your character is impeccable. Give extra care to your friends, family, and loved ones and always put forth your best effort.

When you were freshmen, I told many of you that time would pass very quickly and that you should begin early to make the most of your high school days. Well, time has passed quickly, as it always does, and you are now young adults. As you embark on the next chapter of your life, I give you the same advice I gave you four years ago: begin now to make the most of your future. Work hard in pursuit of your dreams and do not stop until you reach the place you set out to go.

Kenneth Patton once wrote, "By labor we can find food and water, but all of our labor will not find us another hour." It is important to work hard, equally important is to make the most of every day, and take time at the end of the day to reflect on what you have experienced. I wish you the very best in your future endeavors.

Sincerely,
Robert Silveira, Vice Principal

Class History

FRESHMAN YEAR

It is finally our first day of high school. We all crowd into the lobby trying to remember that it's called "study" and not "skills" anymore. In our first class elections, we elect Chris Carreiro as our President, Kelly Cabral as Vice President, Aaron Borges as Secretary, and Lyssa Homol as Treasurer. Despite the sports fees we have to pay, six of our sport teams are SCC Champions. We are introduced to pep rallies and class wars for the first time, and don't make a very good showing. We make up for those losses during the Penny War, by doing the impossible: beating the seniors. As our reward, we all get out of class to see the Navy Band perform. We celebrate the day in January that we get off because it's too cold out. Our drama competition piece, *Metamorphoses*, wins at States, and goes on to perform in Maine at the regional level. We finish off our first year of high school with drama's production of *A Midsummer Night's Dream*, the fear of taking our first finals, and the retirement of our principal, Mr. Santos. At this point we realize that picking on the freshman isn't such a bad idea after all...

SOPHOMORE YEAR

We begin the year with Mr. McCann as our new Principal, and we welcome Mrs. Ragland as our new Assistant Principal (even with the extra ten minutes of announcements every day). We laugh at the incoming freshman as they are the first class to have to take Latin, and of course, because they're freshman. Kelly Cabral is voted as President of the class, and Samantha Hackley is our new treasurer (positions both would hold for the rest of high school). Tabby Newman is our secretary, and Charlotte McDonnell is the Vice President. We all stay up late watching the amazing comeback of the Red Sox, and their World Series win, breaking an 86-year curse. The Patriots win the Super Bowl for the second year in a row. Our girls sports do very well this year as the volleyball team goes to states for the second consecutive year, and our own Nicole Pollard, Charlotte McDonnell, and Amanda Berard bring home the State Championship for the girl's basketball team. Pretty much everyone who has Mr. Cote groans as President Bush is reelected for another term. We donate as much as we can to help relieve the tsunami disaster that took so many lives in Southeast Asia. Our prayers for a snow day are answered when the Blizzard of '05 hits, and we get two! In April, the Drama Club travels to England with Mr. Marcello, and the Mediterranean Club looks forward to traveling to France and Italy with Mrs. Morrow. In the spring, Drama puts on the production of *Quasimodo*, and we all have to take the dreaded MCAS, which will determine whether or not we can graduate. The newness of high school is definitely wearing off, and we begin our summer with the realization that our time here is already half over.

JUNIOR YEAR

This year was supposed to be our hardest academically, but it also proved to be our hardest emotionally. We start off the school year raising funds to help relieve the disaster in New Orleans caused by Hurricane Katrina. On November 5th, we lost not only a police officer, but a teacher, coach, and friend. Our whole town showed their love for Officer Bob by attending his wake and funeral. Shortly after, we coped with the loss of senior Krista Lucianno. Both will be greatly missed, and never forgotten. In September, Elyse Gauvin is elected as secretary, and the class officer's headache of planning prom begins. In the last lobby display competition we will ever be a part of, our Somerset High School construction zone is mistakenly put into "3rd place". The pep rally is cut short, and Ms. Ragland will never hear the end of it, but it leads up to our only win on Thanksgiving Day that we will ever see in our time at Case. Our volleyball team is a state semi-finalist, and the field hockey team makes it farther than they have in 20 years. Myspace has begun to take over, and it leads to a visit from our furry friends in the K-9 unit. The springtime brings the 30th anniversary of the theatre company with their production of The Sound of Music. We end the year with the hassle taking of SATs, our "Sunset in Paradise" prom at the Venus, and the retirement of many irreplaceable teachers. It's the beginning of the end...

SENIOR YEAR

It seems like just yesterday we were taking our freshman finals. The years have flown by, but this year we are looking forward to the possibility of not having to take finals, senior studies, winning class wars, and not having to make up snow days (if we ever get any!). Many students who had Mr. Silveira freshman year welcome him back as our new Assistant Principal. Christine Costa is our new Vice President, and we all have a blast at the Black and White Senior Social. The excitement of the fall is brought down

a bit by the Triple-E scare, causing football games to be on Friday afternoons, and we are no longer allowed to have our display competition because of fire hazard regulations. But we try to make up for it at the pep rally with our "Freshmeat" sign and a huge banner saying "IT'S ALL OVER!" Our senior skit brings laughs with a little bit of controversy, but when doesn't it? At Homecoming, we crown Doug Macedo as King, and Cait Koutsogiannis as Queen. This year, the girl's soccer team wins more games than ever before. Nicki Henrique breaks the school record of points in field hockey, and Niki Pollard breaks the scoring record in basketball. Drama puts on the fall production of Robin Hood, and hopes that their competition piece, Arabian Nights, will be traveling to Boston again like they have for the past three years. Although the fall was full of stress with applications and deadlines, most make up for it by not doing much of anything in the second half of the year. The teacher's are all annoyed by us, but we are counting down the days until we can get out of their faces. Many of us have the opportunity to go to England again with Mr. Marcello. We all start dreaming of warm weather, and can't wait for the Bay Queen. Even with the bus controversy, we look forward to our prom at the beautiful Lakeview Pavilion in Foxboro. It is finally 2007, a year we have been hearing about our whole lives. Nobody knows exactly where they are heading, but at least we have our memories from these past four year to look back on.

GOLF

This year wasn't the best year for our golf team recordwise, but we had a very enjoyable season. We had the first coaching change in Case Golf history. Former coach, Mr. William Antunes retired and Mr. Bruce Cookson, our Athletic Director, took on the job. Mr. Cookson had a good year with the team, and next year he should be returning ready to improve. We finished this year with a 2-16

record, but that could change drastically next year with a lot of hard work and practice by the returning players over the off-season. We had no seniors on the squad this year, so everyone will be back. Junior Mark Savastano was named the MVP this year and had a great individual season. Sophomores Jacob Laflamme and Jeff Camara were given the Coaches Award.

FIELD HOCKEY

This season was an absolute roller coaster ride! If you look at our record and the teams we played, we were not consistent at all. We beat teams we weren't favored to beat and we lost against teams we should have wrecked. All in all, it was a great season. Senior Captain Nicki Henrique broke all the schools records in number of goals scored, number of assists, and total points overall! She was named the SCC all-state team and team MVP along with senior Captain Kait Whalley, who was also

named SCC all-star team. Senior Captain Lyssa Homol was named SCC honorable mention, along with Steph Morgado. The Coaches Award went to Lyssa Homol and senior Samantha Pyne. And lastly, the sportsmanship awards went to seniors Kayleigh King and Allyson Serio.

"The way a team plays as a whole determines its success. You may have the greatest bunch of individuals stars in the world, but if they don't play together, the club won't be worth a dime."

BOYS' SOCCER

The boys' soccer team season was dedicated to Officer/Coach Bob Cabral. With eight returning seniors the team had high hopes and the potential of earning a spot in the state tournament or even winning the SCC championship. Unfortunately, with keeper injuries and a new opponent in the conference (Martha's Vineyard) the season wasn't as successful as

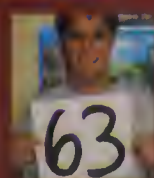

we hoped. Almost every game was close, but we had trouble finishing or holding an opponent for the win. Our final record was 4-11-4, only two wins away from the tournament. SCC All Stars included Mike Ferreira, Nick Trudeau, and Chris Deschenes. MVP's were Alex Morse and Mike Ferreira. Nick Trudeau earned the Coaches Award.

GIRL'S SOCCER

The girl's soccer team had an impressive season. Finishing with a record of 13-5-3, which is the most wins ever in the girl's soccer program, we were able to qualify for the MIAA tournament and make it to the quarter finals, quite notable since we didn't even make tournament last year. Although we began the season with a loss, it proved to be the push we needed to find success. Along with that push, we found ourselves to be victorious due to the closeness of our team. We were a family and that truly made a difference. Senior captain Amanda Resendes

was named to the SCC All-Star team along with Junior Kasey Jeronmio and Sophomore Anna O'Donoghue. Junior Jocelyn Brothers and Freshman Bethany Avila were Honorable Mention All stars. Freshman Bethany Avila made a name for herself and received the Rookie of the year award. Sophomore Megan Connors received the Coaches Award. Senior Captain Elyse Gauvin received both the team and the SCC Sportsmanship awards. Lastly, Senior Captain Amanda Resendes shared the title of MVP with Junior Kasey Jeronimo.

VOLLEYBALL

Case's volleyball program has a history of excellence and our team this year kept that tradition alive. We finished the season with a 12 - 4 SCC record, good for third place in the Conference. We had even greater success in the State Tournament with wins over Middleboro and Old Rochester before losing a tough four set away match to Notre Dame in the Semifinals of the South

Sectional.

Leading the team this year were seniors Cait Koutsogiannis, Sam Hackley, Amanda Lane, and Rebecca Geary. Cait was named the MVP of the team as well as to several area All Star Teams. Amanda Lane won the Sportsmanship Award and junior Laura Carberry was given the Coaches Award. The seniors wish the best of luck to next year's team.

FALL CHEERLEADING

We started off this season with high hopes. A lot of girls made the squad, but not all finished the season. In the end, we competed with 13 girls. We hosted the first competition at Case this year. When the time came to perform, we hit all our stunts and looked great. We placed second in our division and fourth overall, allowing us to move on to the regionals. We will always remember Laysa's jammie jam, yelling "duck" in Nicole's car, getting

soaked and freezing at games, CHS with poms, and going out to eat before practice. Our Coach, Meg had her baby, and Rach got engaged in Italy. It was a great season, and a memorable one as well. Senior Captain Steph Lewis and Junior Laysa Neto received MVP Awards. Juniors Kali Nicolan and Nicole Ashley earned the Coaches' Awards and the Sportsmanship Award went to junior Kate Daignault.

FOOTBALL

We worked hard this year, but our only wins were against New Bedford Voke and Bishop Connolly. Even as the losses mounted senior captains Nick Monte, Joel Banaszek, and Doug Macedo made sure we never gave up and gave it our all in every game. MVP this year

was senior running back Nick Monte. The Coaches Award went to seniors Joel Banaszek and Scott Farrell. Senior quarterback Richie Mello received the Sportsmanship Award. Doug Macedo won the Norman Ashley Lineman Award.

GIRLS TRACK

The Girl's Winter Track Team was small in size, huge in ability. Made up entirely of underclassmen, two talented freshmen, Brittany Resendes and Bethany Avila, represented the Lady Cardinals at the MSTCA meet at Reggie Lewis Center in Boston. Mags Carvalho was Team Manager this season, and did an outstanding job. The Outstanding Freshman Award was presented to Haley Marchand and the SCC Sportsmanship Award

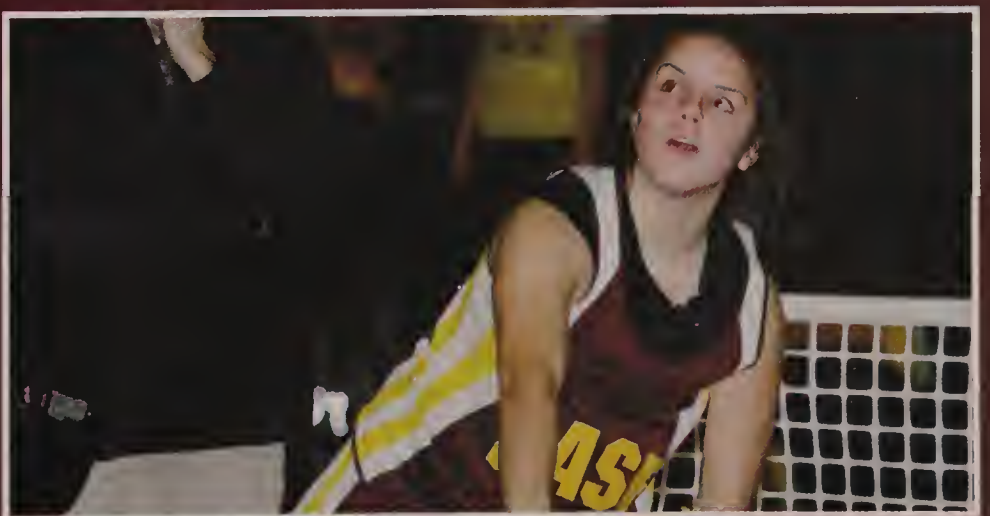

recipient was Amanda Afonso. Junior Laura Carberry received the Coaches Award for her devotion and dedication to the Sport of Track. The MVP Award was presented to Freshman Brittany Resendes who lead the team in points and talent. She was the only Division 4 State qualifer and was also selected as an SCC Honorable Mention All Star. With this talented group of ladies, the team has a great future next season.

WINTER CHEERING

We started the season with two new coaches, Karen Pacheco and Jody Valente, who coached many of us in Pop Warner. They had a huge impact on our squad and taught a lot of us how to tumble. For the first time, freshmen were allowed to try out this year. They were really beneficial to our team, and allowed us to have 18 girls on the squad.

This season was a lot of fun, and allowed us to work together as a team. This year 3 girls received awards. The Coaches Award went to Kali Nicolan. Alyssa Fernandes received the Sportsmanship Award and Kayla Reposa was MVP. Congratulations to all of them and to everyone else, it was really memorable for all of us. Good luck next year!

BOYS' BASKETBALL

This year's basketball team came into the season with very high expectations. Most of our goals were met with success, including making the State Tournament for the first time in three years. Highlights of the season were the opening game win over Somerset, a double overtime win over Bourne, and Steve Drabik's last second tip in to beat Martha's Vineyard. We finished the season

with a 14-8 record and were lead by Dave Hall, Steve Drabik, and Joel Banaszek. Seniors Greg Jancarik and Sean Fitzgerald contributed greatly. Dave and Steve shared the MVP Award. Joel won the Coaches Award and Greg Jancarik was given the Sportsmanship Award. The seniors wish next years team the best.

GIRLS' BASKETBALL

After a rocky beginning, the Girls's Basketball team found a way to pull through and qualify for the state tournament for the fifth consecutive year. Led by seniors, Charlotte McDonnell, Caitlin Koutsogiannis, and Niki Pollard, the team finished with twelve wins and ten losses. Fighting through adversity and finding a way to make the tournament showed how much heart we had and our ability to never give up.

Our season ended when we lost to Carver by one in the second round of the tourney. That game demonstrated our true character and toughness. Cait and Charlotte shared the Coaches' Award, Shannon McGinn received the Sportsmanship Award, and Niki received the MVP. Emily Armstrong and Niki were picked for S.C.C. First Team All-Stars, as Cait and Charlotte were named honorable mention.
